WELCOME

Welcome to our dance family!

We are so excited that you have chosen to gift your little one the joy of dance. With our LITTLE STREAMERS program, there really is no better introduction to dance and the magic that it brings!

As a dance teacher of 15 years, including 10 of them dedicated to preschool, I am so proud to be running this program here at DANCE STREAM VICTORIA! We can't wait for you to see the boost in CONFIDENCE, COORDINATION and CREATIVITY that it fosters within our littlest dancers. Our syllabus is diverse, comprehensive and developmentally age-appropriate. Most importantly, it has been designed specifically with preschoolers in mind - which means it's heaps of fun!

Our engaging classes, including the award winning READY SET DANCE (as seen on Nick Jr. & 10 SHAKE), READY SET BALLET and TINY TUMBLERS, are designed to provide a solid technical foundation for 2-5 year olds, whilst allowing them to delight in the joy and wonder of dance and creative movement.

My favourite thing about our program is how it provides endless opportunities within a multi-sensory learning environment; enabling children to achieve a huge range of fine and gross motor coordination milestones to help prepare them for kinder and school!

I love how much children gain in all aspects of their learning; be it their memory, emotional awareness and regulation, interpersonal communication, language, concentration, listening and creativity. Not only are these key skills that they can utilise in kindergarten and school, they will also be able to draw on them for the rest of their lives. (I know I have!)

Being able to contribute to your child's growth and development is such a unique privilege that I am so grateful for. Witnessing these little humans learning and growing in their love for dance is immensely rewarding.

I can't wait to meet you and dance it out with your little one!

See you soon!

Our littlest performers just LOVE dressing up in their costumes and getting up on a real stage to show their families how much they have learned throughout the year! As this is exclusively a preschool show, it is a family friendly event and is always lots of fun, not only for our students, but also for their families.

Details about our annual showcase are provided via email and our weekly Monday Memo that is emailed out to members in the lead up to the event.

What parents have to say about our LITTLE STREAMERS PRESCHOOL Program!

"The teachers are amazing! Before we came here you could not get Charlotte to stand still but now she stands there and she loves it and it's the highlight of each week" - Sam, RSD/RSB Parent

"From the minute she walked in, [my daughter] feels welcomed, she feels at home...she's been encouraged in her natural abilities and she just loves it! The teachers are excellent - they encourage us, they give us updates, tell us what's happening and highlights of what they're doing which is really special" - Christie, RSD/RSB Parent

"My Zoe's been here for 2 years now - absolutely loves it. It's such a well run school."
Chris, RSD Parent

FAQs

Do I need to have all uniform items for my first class?

No - you don't need to have all uniform items for your first week! We recommend that your child wears comfortable clothing that they can move freely in. In terms of footwear, students are safest in runners or bare feet, depending on the class. After your trial week, we do require students to wear all compulsory uniform items for their classes (including appropriate shoes). We understand that it may be difficult to purchase all items up front, so we typically allow families to take 1-2 weeks to make these purchases. It is important for students to be in the correct uniform so that they are safe in their dance classes and can learn correct technique, so this is something we follow up with families about.

Can I join in or watch my child dance?

We are very passionate about childhood development and a big part of that is helping our preschool students to gain independence in their learning environment. As such, we invite parents into the classroom for their child's FREE TRIAL WEEK, but from their second week on, we ask parents to watch from the waiting area where there is a viewing screen set up via CCTV. Our parents love having the chance to relax or have a chat to the other parents in the waiting area whilst still being able to watch their child's dance class on the screen.

Can I drop my child off and come back at the end of class?

For safety reasons, we require that a parent (or guardian) remains onsite, in the waiting area, for the duration of all LITTLE STREAMERS PRESCHOOL classes. This allows us to provide the utmost level of care and safety for all of our students in the event that a child needs to either be taken out of the classroom (e.g. to go to the toilet) or requires further support within the classroom (e.g. the teacher invites a parent in to support a child who is unsettled for a period of time). Parents can watch all classes from the waiting area via the CCTV screen.

My son loves dancing - do you offer classes that are suitable for boys?

We are very proud that READY SET DANCE, READY SET BALLET and TINY TUMBLERS all offer gender neutral material that caters to both boys and girls who love to dance! Whilst we have boys in all three of these class types, the most popular choice for our dancing boys is READY SET DANCE, where students are taught a combination of jazz, hip hop, tap, music and singing. READY SET DANCE is also a TV show on Nick Jr., 10 SHAKE and YouTube, so your little groover can tune in and check out the "Kids Crew" to be inspired by the big boys' moves!

FAQs

My child has just turned 2. What happens if they won't join in without me in the room?

We feel you! Younger children can sometimes find it more challenging to detach from their parents when trying new activities in new environments. If your child initially struggles to enter the room without you, your child's teacher will work with you to help build your child's confidence to a point where they are able to dance independently. Sometimes children are confident from Day 1 and other times it can take a few weeks. The Ready Set Dance program focusses strongly on developing independence so our aim is always to help foster this in our approach to learning whilst supporting every student on their journey.

What happens if my child misses a class due to illness/other?

We are pleased to offer all of our LITTLE STREAMERS preschool students one make-up class per term. If you can't make one of your classes, please email info@dancestreamvictoria.com.au to let us know and notify us which day you would like to attend a make-up lesson. Our preschool classes run 5 days/week so there are lots of options available! TINY TUMBLERS runs on Mondays and Tuesdays only, but you are welcome to do a READY SET BALLET class (also 30 mins) as a make-up class if you can't attend on one of those days. We do not refund or credit for family holidays, illness or other absences as we cannot place holds on classes.
